

LEOPARD | 42

THE NEW LEOPARD 42  
HAS THE UNMISTAKABLE  
DNA OF THE BRAND

---

**Exciting new technology and building techniques**  
make the Leopard 42 a magnificent ocean-going yacht  
with a feel of space, comfort and performance only  
previously found in significantly larger models.

Discover the signature balance of comfort  
and uncompromised performance.

**Raising the bar again.** The Leopard 42 represents a spacious and stunning yacht featuring a sharp exterior, an additional entertainment area, and large cabins with increased comfort, natural light, privacy, and sense of openness.

---

---

Simonis-Voogd continues to push the envelope, model after model, with catamarans that offers more comfort and continue to perform like a Leopard.

# EVOLUTION

---

New ideas pushing the limits

Building upon almost 25 years of product evolution, the Leopard 42 offers a revolutionary design that exceeds expectations by offering far more than anticipated and allowing performance and comfort to improve without compromising one another.
